The Honorable Andrew Joyce
Chairman, Albany County Legislature
Legislative Clerk's Office

Albany, New York 12207

Dear Chairman Joyce:

Shaker Place Rehabilitation and Nursing Center respectfully requests adoption of the State Environmental Quality Review (SEQR) Negative Declaration as the project is deemed to not have significant impact on the environment. As part of the Albany County 2024 – 2028 Capital plan, the Shaker Place Garage and Parking Lot Extension project was created to construct a multi-use facility for vehicles of Shaker Place to be stored and maintained along with providing the Albany County Department of Public Works (DPW) with modern facilities at their Colonie site.

The project was determined to require a Type 1 SEQR review and lead agency status was assumed by Albany County pursuant to Resolution No. 34 of 2023. Concurrently, the New York State Historic Preservation Office was consulted to review the proposed project and determined the project would have No Adverse Impact to historic and cultural resources.

If any additional information is required, please do not hesitate to contact me.

Sincerely,

Mark S. Olsen
Executive Director
