LISA M. RAMUNDO  
COMMISSIONER

January 25, 2024

Hon. Joanne Cunningham, Chairwoman  
Albany County Legislature  
112 State Street, Room 710  
Albany, New York 12207

Dear Chairwoman Cunningham:

The Department of Public Works is requesting the Legislature's approval of and authorization for execution by the County Executive of the enclosed proposed Just Compensation Award acceptance letter in connection with the property acquisitions required for installation of a Replacement Culvert located at the CR 405 Eight Mile Creek Bridge in the Town of Westerlo. For reference purposes also enclosed are copies of the maps and property appraisals involved.

The acquisition of the Right-of-Way (ROW) in Albany County was essential for the project, as the new wingwalls were projected to extend beyond the existing ROW limits. This determination was made by the Greenman-Pedersen Inc (GPI).

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo  
Commissioner
