DEPUTY COUNTY EXECUTIVE

Honorable Joanne Cunningham, Chairwoman
Albany County Legislature
112 State Street, Room 710
Albany, New York 12207

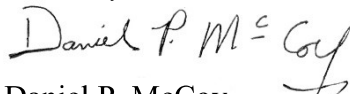

November 5th, 2024

This request is for a contract authorization with Lynkwell for the purchase and installation of electric vehicle charging stations. Albany County received \$125,000 from NYSERDA's Clean Energy Communities program for the purchase and installation of electric vehicle charging stations. The County received bids from three different electric vehicle charging station suppliers and Lynkwell was chosen as the selected vendor. Lynkwell will both provide the charging stations as well as provide installation services. Stations will be installed at the following County-owned locations:

- Albany County Hall of Records - 95 Tivoli Street, Albany, NY 12207
- Albany County Department of Health - 175 Green Street, Albany, NY 12202
- Albany County DSS Parking Lot - 208 Washington Avenue, Albany, NY 12210
- Albany County Parks and Recreation - 390 New Salem Rd, Voorheesville, NY 12186
- Albany County DPW Headquarters - 499 New Salem Road #2, Voorheesville, NY 12186

If you should have any questions, please do not hesitate to contact me.

Sincerely

Daniel P. McCoy
Albany County Executive

By signing this Proposal, Client and Livingston agree to the project as detailed above. The Client and Livingston will also need to agree and sign a Scope of Work Agreement, which will be presented after Site Verification has taken place. If Site Verification or Utility Funding require any adjustments or changes to the costs detailed in the above Proposal, then Livingston and the Client must both agree to an updated Proposal and this Proposal is voided. Both Livingston and Client reserve the right to cancel without penalty at any time before signing the Scope of Work Agreement. If Client cancels after signing the Scope of Work Agreement, Livingston reserves the right to bill Client for costs associated with the project including, without limitation, site preparation (not including site verification), project scoping, permitting, seeking funding or utility approvals, or other such activities. Any potential tax credits listed above cannot be guaranteed by Livingston; please verify availability with your accountant. Incentives may be used to cover applicable costs for this project, and Client agrees to assist Livingston to obtain this incentive on Client's behalf. This includes providing information requested, site access if required, and by working within the rules of applicable incentive program both during and after the project. By signing this Proposal, Client grants Livingston permission to use Client's name and/or logo in relation to this project and funding. Standard terms and conditions governing Livingston projects and the items and subscriptions depicted above can all be found at www.solution.energy/terms and are subject to change without notice.
