The Honorable Joanne Cunningham
Chairwoman, Albany County Legislature
Legislative Clerk's Office
112 State Street, Suite 710
Albany, New York 12207

Dear Chairwoman Cunningham:

Shaker Place Rehabilitation and Nursing Center respectfully requests funding authorization for the Food Service and Distribution Equipment capital project in the amount \$300,000 for 2026. The Food Service and Distribution Equipment capital project is part of the Albany County 2026 – 2030 Capital Plan adopted per Resolution 229 of 2025.

This portion of the project is for the transportation, storage and distribution of meals to be served to the residents on the units. The current tray line system was adopted at the start of the pandemic due to the social distancing requirements for communal dining and has reached the end of its useful life. The facility was designed to serve meals on the units and this project is for the equipment and modifications needed to accomplish this original design.

If any additional information is required, please do not hesitate to contact me.

Sincerely,

Mark S. Olsen
Executive Director
