Dear Chairman Joyce:

Albany County Department of Health requests to contract with CCE to implement services under the Healthy Neighborhood Program grant (HNP). The HNP is designed to provide preventative environmental health services to targeted geographic areas, usually comprised of low-income families, living in homes and neighborhoods with a disproportionate number of residential hazards. Communities have been identified based on data collected from more than 1,500 HNP home visits in the past 5 years.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Elizabeth F. Whalen, MD, MPH
Commissioner of Health
