Dear Kirsten Catellier:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

The Archaeology Unit has reviewed the Phase IA/IB Archaeological Survey report prepared for this project (23SR00046; January 2023). No archaeological sites were identified by the survey and the OPRHP concurs with the report recommendation that no additional archaeological work is necessary.

Please note that these comments pertain only to archaeological resources. Please continue to consult with Weston Davey in the Technical Preservation Services Unit at Weston.Davey@parks.ny.gov. If you have any questions concerning archaeology, I can be reached at Jessica.Schreyer@parks.ny.gov

Sincerely,

Jessica Schreyer
