Re: Bond Resolution for East Side Stairwell Enclosure

Dear Chairman Joyce:

The MVP Arena respectfully requests approval of a bond resolution authorizing \$500,000 in 2023 for the installation of East Side Stairwell Enclosure. This initial expense will be essentially centered in design and structural engineering evaluations. The following investment will assist in keeping the facility looking more appealing by keeping wildlife and any unauthorized persons out. The project will also promote energy savings for the adjoined areas. The total project is estimated to cost \$1,500,000 which the remainder will be requested for 2024.

This project has been included in the 2023 Capital Plan.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Bob Belber
